Seattle – 7 Night Alaska Glacier Cruise (including Ketchikan, Endicott Arm & Dawes Glacier, Juneau, Skagway, Alaska Inside Passage and Victoria, British Columbia)

Celebrity Solstice Alaska

### Savour the “Emerald City” of Seattle followed by an Alaska Cruise onboard Celebrity Solstice with Dialysis Abroad and your host, Nancy Douglas-Irving OAM on a journey you’ll remember for years!

Visitors to the Emerald City of **Seattle** will find a fusion of American, Asian and Native American cultures set against a back drop of Puget Sound and the magnificent Olympic Mountains. Conveniently located within walking distance of the famous Pike Place Market, you’ll love the location and facilities of this world renowned hotel. Travel in comfort knowing that your dialysis treatment has been taken care. Enjoy free time and a sightseeing tour of the city by private coach. Highlights include the **Elliott Bay Waterfront, Pioneer Square, Pike Place Market, Olympic Sculpture Park** and the **Seattle Center**. Time has been set aside to accommodate at the Grand Hyatt Hotel Seattle.

Journey through the wild terrain of Alaska on board Celebrity Solstice and discover the natural wonders that await as the rugged beauty of this pristine frontier unfolds. Set out from Seattle on your unforgettable adventure where you’ll have the opportunity to get up close and personal with 30-tonne whales and massive glaciers or take a flight high above the snow-capped lands and glaciers. The cruise ship itself is as charming as the sights and adventures you’ll encounter, with modern luxury at every corner. You’ll sail beyond the Inside Passage and into the more protected Alaska Inside Passage in south-eastern Alaska where the complex labyrinth of fjords, bays and lush green islands is home to an abundance of wildlife including orca, mountain goats, bald eagles, bears, puffins, sea otters and much more. The longer summer daylight hours allow for ample opportunities for photos! The port of Ketchikan is the ideal version of an Alaskan town whilst Juneau (Alaska’s capital and state’s second largest city) is a unique destination for a myriad of reasons including the fact that it has no connecting roads to other cities. Glaciers abound in the region! Skagway is home to many gold rush era structures and preserved buildings. Located close to the Inside Passage and famous for its mining past, you’ll have the opportunity to travel the White Pass and Yukon Route Railroad which runs through the mountains north toward Canada.

**Dialysis treatment# will be available in Seattle and on the cruise. Limited to 6 (six) dialysis patients only.**
